
TEACHER-ON-CALL COMMITTEE REPORT

TOCs will have gathered three times this year to attend workshops held at the VSTA office. The first workshop on October 28 was titled Teaching On Call: Strategies for Success. The next gathering was on January 27 for a BCTF Tax Seminar Workshop. Finally, TOCs will be meeting on June 9 for an Employment Insurance Seminar. All workshops have been well attended by TOCs and taught by BCTF workshop facilitators.
